Examiner's statement of reasons for allowance

The following is an examiner's statement of reasons for allowance:

1. Claims 1,7,15,18, and 21 are allowed because Prior art fails to show a secondary light source utilized on a vehicle as the timing reference signal for controlling a vehicles primary light source thereby avoiding interference with the primary light sources of both approaching and following vehicles.

The use of a secondary light source utilized on a vehicle as the timing reference signal for controlling a vehicles primary light source is patentable.

2. Claims 2-6,8-14,16,17,19, and 20 are allowed because they are dependent upon allowed Claims 1,7,15,18, and 21.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
